

CERTIFICATE

of cooperation between Bluepha and Fudan iGEM 2017

The cooperation was initiated at the Conference of China iGEMer Community (CCiC) in August 2017, to be focused on education-related human practice activity and project consultancy. In October 2017, with the assistance of Bluepha, the board game "Cell War" developed by Fudan iGEM 2017 was successfully promoted in the Affiliated High School of Peking University. Bluepha and Fudan iGEM 2017 are supposed to retain the cooperation after the Great Jamboree of iGEM 2017, except under exceptional circumstances.
